	pH Value	13-14																	
	Initial Boiling Point	95°C																	
Specific Gravity	1.03-1.07 g/cm ³																		
Colour	Clear red liquid																		
Odour	Neutral																		
Biodegradability	Rapidly Biodegradable																		
Shelf Life	24 months																		
<p>Warnings</p>	<p>Pre-test the product in an inconspicuous location. May harm aluminium and magnesium compounds.</p> <p>Always use appropriate protective equipment. If in eye: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Consult SDS for additional information on hazards.</p>																		
<p>Contains</p>	<p>Non-ionic and anionic surfactants (5-15%) and phosphates (<5%).</p>
