		pH Value	13-14																
		Initial Boiling Point	95°C																
Specific Gravity	1.06-1.09 g/cm³																		
Colour	Transparent light-yellow liquid																		
Odour	Neutral																		
Biodegradability	Rapidly Biodegradable																		
Shelf Life	24 months																		
Warnings	Pre-test the product in an inconspicuous location. May harm aluminium and magnesium compounds.																		
	Always use appropriate protective equipment. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Consult SDS for further information on hazards.																		
		Contains	non-ionic and anionic surfactants (5-15%) and phosphates (<5%).																
Dilution Guide		LIGHT	HEAVY	MOP	SOAK														
		1-part solution with 1-part water	USE NEAT	1-part solution with 9-part water	1-part solution with 1-part water														
Packaging Sizes	5L	25L	200L	1000L IBC
