Dear Cameron,

The purpose of this letter is to clarify matters set out in the Global GreenTag certificate. It provides additional information on the scope, limitations and exclusions of the certificate issued based on information provided by the applicant and its suppliers. It is not a certificate and is not a substitute for the certificate, nor does it include any product variants apart from those specifically shown below.

| | |
|------------------------------------|--|
| Scope definition | The certificate applies to RGN-3302, 3303, 3312, 3313, 3315, 3316, 3341, 3342, 3351, 3352, 3353, 3354, 3362, 3314, 3317, 3317, 3318, 3990 Industrial Scale Remover produced by Rotal Adhesive and Chemicals Ltd. at their Kfar Saba factory in Israel. |
| GreenTag Standard | Global GreenTag Cleaning Products Standard v1.1 |
| Certification level | LCARate Bronze Streamlined |
| Licence number | GAU:SM01:2020:LR |
| Limitations and exclusions: | The certificate only applies to products which contain no fragrance or dyes, or products containing Topaz fragrance which is IFRA compliant and dyes which are on the list of approved dyes set by Global GreenTag cleaning products standard. |

This information is provided to the applicant in complement to the certificate in order to ensure that the Global GreenTag Certification Mark is used only for products covered by the scope defined therein and in accordance to the current GreenTag Rules for the Use of Mark, and Terms and Conditions documents.
