

Vegan Friendly R.A. | Changing Reality

*Former – A Vegan Future

22.2.22

To Whom It May Concern,

The subject: Declaring that the following Beth-El Food products were examined and are qualified for the Israeli trademark marking for vegan products- Vegan Friendly.

Vegan Friendly is a trademark foundation working to promote vegan lifestyle in Israel, and indicates with a trademark mark products which are qualified for the definition of a vegan product.

The following products manufactured by Beth-El Food were examined and approved for vegans based on the company's declaration of abstaining from ingredients tested on animals and on the basis of the foundation's exam that the company's ingredients are free from animal products including:

- (1) Milk and it's products.
- (2) Meat, including: chicken, beef, fish, pork etc.
- (3) Eggs.
- (4) Honey, including: beeswax, beehives etc.
- (5) Animal's leather products.
- (6) Any kind of animal excretions.
