Dear Cameron,

The purpose of this letter is to clarify matters set out in the Global GreenTag certificate. It provides additional information on the scope, limitations and exclusions of the certificate issued based on information provided by the applicant and its suppliers. It is not a certificate and is not a substitute for the certificate, nor does it include any product variants apart from those specifically shown below.

Scope definition	The certificate applies to GLG-6813, GLG-6815, GLG-6818, GLG-6814G, GLG-6871, GLG-6872 and GLG-6819 Multi-Purpose Cleaner produced by Rotal Adhesives and Chemicals Ltd at their Kfar Saba factory in Israel.
GreenTag Standard	Global GreenTag Cleaning Products Standard v1.1
Certification level	LCARate Bronze Streamlined
Licence number	GAU-MC01:2020-LR
Limitations and exclusions:	The certificate only applies to GLG-6818, 6814G which don't contain fragrance and GLG-6813, GLG-6815, GLG-6919, GLG-6871 and GLG-6872 containing Topaz fragrance which is IFRA compliant.

This information is provided to the applicant in complement to the certificate in order to ensure that the Global GreenTag Certification Mark is used only for products covered by the scope defined therein and in accordance to the current GreenTag Rules for the Use of Mark, and Terms and Conditions documents.
